

ForwardVelocity.h

```
graph TD; A[ForwardVelocity.h] --> B[gsl/gsl_vector.h]; A --> C[gsl/gsl_matrix.h];
```

The diagram illustrates the dependencies of the ForwardVelocity.h header file. It is represented as a central gray box at the top. Two blue arrows originate from the bottom of this box, pointing downwards to two separate white boxes. The left box contains the text 'gsl/gsl_vector.h' and the right box contains 'gsl/gsl_matrix.h'. This visualizes that ForwardVelocity.h includes both of these files.

gsl/gsl_vector.h
