

InverseSherpaKinematics_f.c

```
graph TD; A[InverseSherpaKinematics_f.c] --> B[math.h]; A --> C[InverseSherpaKinematics_f.h];
```

A diagram illustrating the dependencies of the file `InverseSherpaKinematics_f.c`. The file is shown in a grey box at the top. Two blue arrows point from it to two other boxes below: `math.h` (a white box with a grey border) on the left and `InverseSherpaKinematics_f.h` (a white box with a black border) on the right.

math.h
